Dear Local 2748 Member,

The Legislative Conference Committee continued to meet this week on the State budget. As you are probably aware, that process continues.

We want to thank the numerous AFSCME members, including many from Local 2748 who donated their own time this past week to participate in the vigil at the Capitol.

As the vigil continues, Council 24 is arranging transportation from many parts of the state to enhance the union's presence at the Capitol.

Members are urged to continue making contact with their own state senators and assembly representatives. What you do now will make a difference in how this contract turns out for us. You can find your legislator by using the following link:

Your ongoing support for the bargaining process is very much appreciated. Thank you.

In Solidarity,
