

Dear Local 2748 member,

Below is the schedule for Regional Informational Meetings. Please note that voting will not take place at these sessions. Rather, ballots are being sent to all green card members via US mail. The Bargaining Unit Conference for union officer delegates is scheduled for Monday, April 28th at the Alliant Center in Madison. PSS members are welcome to contact the bargaining team by emailing to [pssteam@wseu-24.org](mailto:pssteam@wseu-24.org). Information about the results of the ratification process and the schedule for legislative action on our new contract will be sent out as it becomes available. Thank you for your ongoing interest and support!

In Solidarity,

PSS Bargaining Team;
