RE: Jessica King Candidacy

DATE: April 11, 2008

Some of you have already been in contact with Jessica King regarding her run for Carol Roessler's vacant seat. I have had the opportunity to spend time with Jessica and feel quite strongly that not only is she a strong, electable candidate, but also would represent our interests, along with those of all constituents very well. Her full spectrum of life experiences and exceptional savvy puts her squarely in touch with working women and men in her district. I think that it is important that our local unions and membership have an opportunity to meet and interact with Jessica. I would strongly encourage that you invite her to your local union meetings and get to know her. If we are going to be successful in electing a state senator that understands and will represent our issues, all of us, including our members, need to be engaged.

The WMC and Republicans will not be rolling over on this senate seat. We will have a real fight on our hands, but that is what we do best – fight for our members, fight for what's right, fight to maintain our dignity.
